LB 319

adopted...is adopted. Now then back to the amendment.
Is there further discussion on the committee amendments.

SENATOR V. JOHNSON: Yes.

PRESIDENT: Senator Johnson.

SENATOR V. JOHNSON: Mr. President, at this time I would move that the question be divided. If you examine the committee amendment, you will discover that it is in two parts as Senator Schmit has pointed out. The first part deals directly with the subject matter of LB 319 and the second part deals with an after the fact problem that Senator Wesely brought to the attention of the Public Works Committee of which he is a member. The questions are separate and distinct and I would ask that we vote first on part one which is the amendment to LB 319 dealing with the trucker situation and then take up part two which is the specific Wesely amendment.

PRESIDENT: Senator Johnson, could those be identified as applying to either section or are they both?

SENATOR V. JOHNSON: I don't understand your question.

PRESIDENT: I don't know what...as the amendments...

SENATOR V. JOHNSON: When I read my bill book I see there is a...

PRESIDENT: Two sections.

SENATOR V. JOHNSON: ...there are two sections, and Section 1 is separate and distinct from Section 2 and so I would therefore ask Section 1 be entertained first and then Section 2 second.

PRESIDENT: Very well, the question will be so divided and we will take up the amendment to Section 1 first. Senator Schmit.

SENATOR SCHMIT: Mr. President, and members of the Legislature, Senator Wesely and I have no objection to that and we support Senator Vard Johnson's motion. We have absolutely no objections.

PRESIDENT: Senator Beyer.

SENATOR BEYER: Mr. President, this amendment as was brought out in the testimony at the hearing is just defining for the
